DIGITAL HEALTHCARE KIOSK

Empowering society for healthier tomorrow

To make preventive diagnosis a simple and hassle-free process, We are introduced digital healthcare KIOSK which transform healthcare delivery by offering instant health check-ups. Operated by the android application, it supports a wide range of vital assessments and stores patient data on the cloud in order to make it accessible remotely. The device is easily portable, allowing you to deliver quality care anytime, anywhere.

FEATURES

01

Multiple type of medical checkup

02

Instant test report and prescription
(Email, WhatsApp, Print)

03

Support multiple language

04

Access through android App

05

Digital Record

01

Doctor consultation
